

Teck Regional Camp Program

Another great weekend at the Teck Regional Camp - Okanagan. Coach Adam did a great job pulling everything together. The camp was a huge success! 46 skiers took part and we had the help of 10 coaches. Big thanks to Telemark athletes Jeff and Alex for taking part in all the activities and being great role models. We also had the chance to meet and train with the Callaghan National Training Centre athletes, as well as meet and talk with Malindi Elmore; current 1500m National Champion and 2004 Olympian. A big thanks to Teck for sponsoring the regional camps and the sporty new hats!
