General Manager
Caledonia Nordic Ski Club

Overview

The Caledonia Nordic Ski Club operates the Otway Nordic Ski Centre, located minutes west of Prince George BC. The club has 55km of groomed trails, night skiing (10 km of lit trails), 10km of dog friendly trails, numerous snowshoe trails, a new 30 lane biathlon range, and cross-country ski trails and stadium complex that are fully certified under the Federation International de Ski (FIS) homologation standards. We also offer 50+ km of single-track mountain bike and hiking trails in the Summer months.

The Otway Ski Centre and the Rotary Nordic Lodge are operated by the Caledonia Nordic Ski Club, (CNSC), a non-profit organization. The club is run by a volunteer board of directors, a general manager, contractors and, a staff of approximately 12 seasonal employees. In the 2016/17 and 2017/18 seasons, the Caledonia Nordic Ski Club became the second largest Nordic ski club in North America with around 1500 members. The club has one of the largest school ski programs in BC with 2500 children, and a strong participation in the Cross-Country Canada Skills Development program, with kids ranging in ages from the recreational 3 yr. old learning to ski to the 16-year-old looking to compete. We have a program for all to enjoy.

Recently, the Club has further developed its programs extending their reach into the Spring/Summer/Fall months with a mountain bike program. These programs have been geared towards people of all ages and run similar to our ski programs. With the iRide program, CNSC provides mountain bike opportunities in after school and weekend programs, as well as summer camps and fall programs. We offer these to both recreational and competitive kids, parents and seniors. We look forward to seeing these programs grow in the future.
