Para Nordic Development Camp and Classification

The annual Para Nordic Development camp will take place in Canmore, AB November 18-20. The annual camp brings together new and provincial level athletes to Canmore to develop their skills with national level coaches on the tracks of Frozen Thunder. For new athletes, who have not been nationally classified in Nordic skiing, Nordiq Canada offers a domestic/national classification assessment in conjunction with the camp. This will be an important camp for new athletes striving to compete for their provinces at the upcoming Canada Winter Games in PEI. Information regarding registration for the camp will be available **October 11, 2022**.

Para Nordic Coaching - Comp-Intro Course

Running concurrent to the Para Nordic Camp, Nordiq Canada will host a Para-Nordic Coaching Comp-Intro course for coaches from **November 18-20**. Registration will be available through [The Locker](#).

Para Nordic Trials Races

The Para-nordic trials for qualification to the World Cup in Vuokatti, FIN will take place in Canmore, AB **November 22 & 23**. The event is open to all athletes and will serve as the qualification event for athletes eligible for international Para Nordic FIS competitions. Trip Criteria documents will be posted in the coming weeks.
