Mt. Washington Hosts 2025 Teck Coast Cup #2 & 3!

February 8-9, 2025

FOR IMMEDIATE RELEASE
(Courtenay, BC)

The Teck Coast Cup races #2 and #3 took place on February 8th and 9th, 2025 at the beautiful Mt. Washington Ski Resort on Vancouver Island. Sunny skies and cool winter temperatures provided excellent conditions for cross country ski racing.

The Strathcona Nordic Ski Club hosted the event which, in addition to their own members, welcomed racers from the Vancouver Island Biathlon Club (Mt. Washington), Hollyburn Cross Country Ski Club (North Vancouver), Nordic Racers (Vancouver), Sovereign Lake Nordic Club (Vernon) and Rocky Mountain Racers (Alberta).

Skiers ranging in age from 4 to 74 years competed over the two days of racing. On Saturday, the sunny conditions showcased the glorious mountains of Strathcona Park, providing an excellent backdrop for the Team Sprint. A total of 98 racers paired up to compete in this Free Technique event. Sunday brought more variable cloud conditions and a last-minute change from the planned Classic Technique race to a Free Technique, Mass Start race due to a mechanical issue with the groomer. Despite the change, 115 racers came out for races that ranged in distance from 300 metres to 7.5 kilometres, and embraced the challenge with big smiles.

The final race in the Teck Coast Cup Series will take place in Whistler next month, where the Club Aggregate Award for the Series will be presented.

The races could not have happened without the support of a large group of dedicated coaches, waxers, and volunteers. A huge thank you to all the people who made this weekend a success!

A big THANK YOU to Teck for sponsoring this event!
