

Teck Regional Snow Camp, Northern BC

❄ Skiing in a winter wonderland ❄

**For Immediate Release
December 10, 2025**

Smithers, BC – December 5, 2025 - The Teck Regional Snow Camp (Northern Region) brought together 90 athletes and 24 coaches from clubs across the Northern Region, including Snow Valley Nordic Club (Terrace), Bulkley Valley Cross Country Ski Club (Smithers), Omineca Ski Club (Burns Lake), Nechako Nordics (Vanderhoof), Caledonia Nordic Ski Club (Prince George), Mackenzie Nordiques (Mackenzie) and 100 Mile Nordics (100 Mile).

Blessed by the 'Nordic snow gods', skiers enjoyed three fantastic days of skiing, many athletes getting on snow for the first time this season! Skiers enjoyed incredible meals and snacks over the course of the weekend provided by a crew of wonderful cooks and helpers. The snack tables in particular were next level, festively decorated and displayed. Most importantly, the camp provided an excellent

opportunity to bring athletes and coaches together for a weekend of learning and fun!

A distance ski under the stars followed by the traditional lighting and releasing of lanterns was enjoyed by all on Friday night.

On Saturday the focus was on agility, skills and technique sessions in both skate and classic. We ended the day with a classic time trial for the older athletes and a game of Man Tracker for the younger set. The final morning provided lots of excitement and learning with a full camp mass start practice mash up and ended with an equally exciting mixed age group classic sprint relay.

The camp was fortunate to have BC Ski Team Assistant Coach Zach Hill join the coaching team and lead coaches and athletes through a variety of technical and tactical skills expertly incorporated into all of the activities over the weekend. A special thank you to all the coaches who shared their expertise, inspiration and passion for the sport with all camp participants. Thank you to the many volunteers that feed us, the meals and snacks provided were top notch, nutritious and delicious. Finally, thank you to our amazing grooming team who provided skiers with excellent terrain to further their development. They left happy, with increased skill, greater endurance, new friendships and connections and motivation for the season ahead.

This camp showcased the strength of the Northern skiing community, nurturing a culture of collaboration and excellence and the continued growth of our sport. Huge thanks to all of the amazing volunteers and coaches for making this camp such a success and to Teck for their continued support of the Regional Camp program.
