## Telemark Nordic Club proudly hosts the Teck BC Championships in West Kelowna, BC

telemark  
NORDIC

**FOR IMMEDIATE RELEASE**

**West Kelowna, BC – March 4, 2025**

The Telemark Nordic Club proudly hosted the 2025 Teck BC Championships on February 28 to March 2, welcoming more than 630 racers and more than 127 registered coaches from across British Columbia, Alberta, Quebec and Washington State. The event was one of the largest Championship events the club has ever hosted with beautiful, spring-like conditions under clear blue skies and the iconic Okanagan sun.

“With representation from across the province, the level of participation across age categories and skill levels was outstanding,” said Mike Edwards, General Manager, Telemark Nordic. “The stunning weather and incredible snow conditions and grooming on our trails ensured all that attended had a memorable weekend of inspiring racing.”

Athletes from as young as 7 to 77 raced for three days in three events including a Mass Start (Free Technique), Interval Start (Classic Technique) and Relay (Free Technique). Results of the Teck BC Cup Series individual aggregate awards were announced at the banquet on Saturday evening and the BC Championship Club Trophy was announced at the final awards ceremony on Sunday. Telemark placed a close third behind the Black Jack Ski Club of Rossland, which came second, and the Hollyburn Cross Country Ski Club of North Vancouver, which won the overall team aggregate award for a second year in a row.

The Telemark Nordic Club wishes to thank all participants, volunteers, generous sponsors and our wonderful staff whose dedication and support made the Teck BC Championships one of the largest, well attended and best events ever held at the club.

### Event Highlights:

**Friday, February 28:** An exciting, nine-lane Mass Start and hundreds of skiers across 44 categories brought some exciting performances and impressive racing.

**Saturday, March 1:** The Classic Technique Interval Start races saw some incredible racing with challenging wax conditions due to sun and shade on the trails.

**Sunday, March 2:** Athletes competed in the Relay Free Technique races, demonstrating teamwork, camaraderie and exciting competition.
