

KV+ ROLLER SKIS OFFER (SUMMER 2021)

KV+ Falco Skate \$499

- our most technologically advanced roller skis
- carbon shafts flex like real skis
- rubber gaskets minimize vibration to provide smooth, "snow-like" roller skiing experience
- length (between axes): 60 cm
- standard 100x24 mm wheels
- NNN and SNS bindings available

KV+ Launch Pro Skate \$289

- our most popular skate roller skis
- lightweight and durable aluminum shafts
- curved profile lowers center of gravity and provides better stability
- length (between axes): 60 cm
- standard 100x24 mm wheels
- NNN and SNS bindings available

KV+ Jet Skate \$239

- entry level skate roller skis
- lightweight and durable aluminum shafts
- length (between axes): 60 cm
- standard 100x24 mm wheels
- NNN and SNS bindings available

KV+ Falco Classic

\$499

- our most technologically advanced classic roller skis
- carbon shafts flex like real skis
- rubber gaskets minimize vibration to provide smooth, "snow-like" roller skiing experience
- length (between axles): 71 cm
- standard 75x44 mm wheels
- NNN and SNS bindings available

KV+ Hawk Classic

\$299

- durable aluminum shafts
- trapezoid profile reduces weight and provides better stability
- length (between axles): 73 cm
- standard 75x44 mm wheels
- NNN and SNS bindings available

Parts and Accessories:

- replacement wheels
- roller ski bags
- drink belts
- roller ski tips
