Snow Cat Operator/Groomer

Nickel Plate is a growing cross country skiing destination in the south Okanagan, with 56km of ski trails and 22 km's of snowshoe trails. We are a not for profit that has been around since 1989. We foster an environment of growth and acceptance.

Job description

Grooming our ski trails is the backbone of our operation and our expectations are high. This is more than just operating a machine, it's producing a top notch ski experience for our clients. We run a 2019 Prinoth Husky that is capable of producing world class tracks on our world class terrain, and that is our goal.

The position is 2 days a week, from 3am to 9am with the possibility of a 3rd shift depending on experience. You must be a team player and work with the entire team to produce an excellent product. The shift is solo and we use an app called OK Alone to keep everyone safe. A cell phone with a small amount of data is required for this position. Nickel Plate is located 6km's past Apex Mountain Resort.

We will train the right applicant, cross country skiers will be given preference especially if they have machine and maintenance experience.
