Teck Regional Snow Camp (Northern Region) *Fun in the North!*

**FOR IMMEDIATE RELEASE
December 14, 2022**

Smithers, BC – Seventy-two young athletes attended a choc-o-block activity filled Teck Regional Snow Camp in the beautiful Bulkley Valley from December 9th to 11th. The camp was hosted by the Bulkley Valley Cross Country Ski Club of Smithers and attended by skiers from the Snow Valley Nordic Ski Club (Kitimat/Terrace), Morice Mountain Nordic Ski Club (Houston), Omineca Ski Club (Burns Lake), Nechako Nordic Ski Club (Vanderhoof) and Caledonia Nordic Ski Club (Prince George).

Adventures opened with a sky-lantern ski on Friday followed by technique sessions, waxing clinics and a trip to the Smithers pool for the younger athletes on Saturday. With no rest for the participants, Saturday night was lit up with a hip-hop dance party. Sunday opened with a mass start practice and concluded with an inter-age relay, so much fun was had by all.

There were twenty coaches and nineteen volunteers from across the north contributing their expertise and guidance to the talented and dedicated skiers.

Athletes greatly enjoyed their activities, but the best part was spending time with their teammates from all over Northern BC! Thank you to all coaches, volunteers and parents for their hard work making this camp happen. A big thank you to Teck Resources Limited for supporting our regional camps.

Cross Country BC (CCBC), the provincial sport governing body for cross country skiing in British Columbia, is a not-for-profit, club-based organization of more than 27,000 members. CCBC offers programs and services to support the continuous development of cross-country skiing for all ages and abilities, from introductory experiences to international excellence.

Teck Resources Limited is the title sponsor of CCBC's Skier Development Program, thereby supporting excellence in sport and providing youth with experiences that will help them prepare for the future.
