**March 12, 2025**

**Pemberton, BC – Spud Valley Nordics Ski Club** of Pemberton hosted the **Teck Coast Cup #4** Team Sprint race at Whistler Olympic Park on March 9th, 2025. It was a challenging race day with tremendous amounts of rain and wet snow, however once again cross country skiers from across the Coast showed up with grit and a display of a true love for the sport. Attracted to the unique and fun race format, this regional race had record setting participation with 233 racers ranging from under 6 years old to Masters. In the end, Hollyburn Cross Country Ski club secured the 2025 Teck Coast Cup Series regional aggregate award.

The race paired skiers into teams of two, each skiing three laps of a sprint course. The skiers brought with them positive attitudes and exceptional sportsmanship. They demonstrated the immense amount of hard work and skill needed on the competition course when competing in demanding weather conditions. The Team Sprint format is used at the international level of the sport.
