## Nechako Nordics Host 2022/23 Teck Northern Cup Series Final

FOR IMMEDIATE RELEASE

March 11, 2023

The final in the Teck Northern Cup Series was hosted by the Nechako Nordics on the unceded ancestral territory of the Saik'uz First Nation. 102 skiers representing Cariboo Ski Touring Club (Quesnel), Caledonia Nordic Ski Club (Prince George), Morice Mountain Nordic Ski Club (Houston), Bulkley Valley Cross Country Ski Club (Smithers), Snow Valley Nordic Ski Club (Terrace) and our own Nechako Nordics took part in the interval start, free technique race.

Fun and friendly competition was had by all as skiers pushed through the technical courses to make up time on the skiers ahead. Great snow and -7 C made for ideal ski conditions.

A U10 skier from the Nechako Nordics heads out on the 1.5 km course.

Excitement grew as category awards were presented that included Teck Resources Ltd medals and ribbons as well as the “Cookie” medals. The final award of the day was the much anticipated Club Aggregate Banner for 2023, which was presented to Bulkley Valley Cross Country Ski Club for another season of bragging rights.

Our thanks to the more than 35 volunteers that helped make this event so successful once again. A big thank you to our local sponsors, Bakkerij Lobelle, Four Rivers Co-op, Tim Hortons, Earthen Ware, Rich’s Saw Sales, Nechako Outdoors and Stride and Glide for supplying food and prizes.

We would like to gratefully acknowledge Teck Resources Limited for continually sponsoring these events.
