## FOR IMMEDIATE RELEASE

(100 Mile House, B.C.)

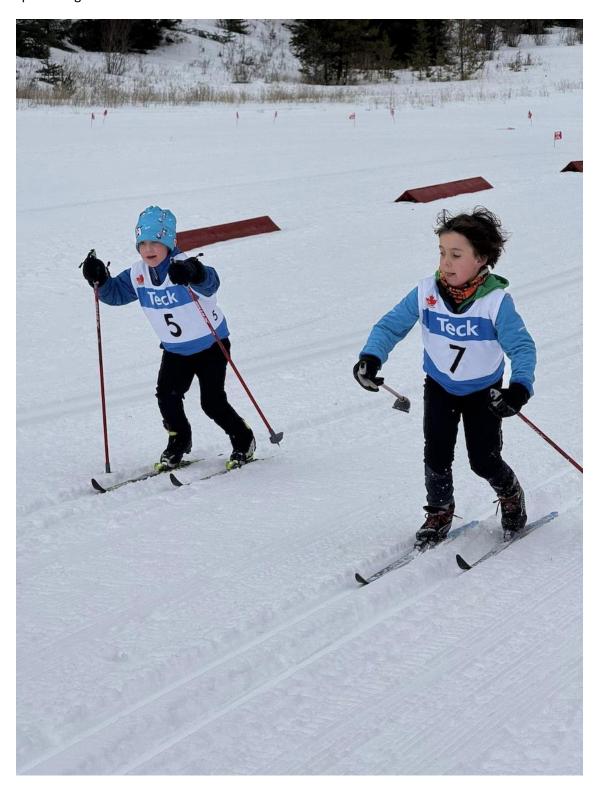

On Saturday, February 22<sup>nd</sup>, 100 Mile Nordics hosted the Northern Teck Cup Race #3 at the 99 Mile Ski Trails. The weather was windy and warm, making for challenging waxing conditions. There was great excitement and lots of smiles.

Competitors came from the 100 Mile House area, Williams Lake, Quesnel, Prince George, Kamloops and Vancouver. The organizers were especially pleased to have a sit-skier among the racers.

The Interval Start, Classic Technique race offered distances ranging from 500 meters for the youngest skiers to 7.5 kilometers for the oldest skiers. The racers were pleased with the well-groomed trails and challenging courses.

This successful event was made possible by a large dedicated group of volunteers. A huge thank you to the groomers and all the volunteers who made this event a great success! A big thank you to Teck for sponsoring this event.
