## Nechako Nordics Host Final in Teck Northern Cup Series 2025

FOR IMMEDIATE RELEASE

March 10, 2025

On March 8<sup>th</sup> the final ski race in the Teck Northern Cup Series took place in the geographical centre of British Columbia, Vanderhoof. The snow held up and 100 skiers from seven clubs across the north and northwest experienced early spring skiing conditions in plus 5 temperatures. Ski clubs that were represented included Cariboo Ski Touring Club (Quesnel), Caledonia Nordic Ski Club (Prince George), Mackenzie Nordiques, Omineca Ski Club (Burns Lake), Morice Mountain Nordic Ski Club (Houston), Bulkley Valley Cross Country Ski Club (Smithers), and the host Nechako Nordics (Vanderhoof).

The Free Technique, Interval Start event had both experienced and competitive skiers tuning up for the National Championships, and skiers who were participating for the joy of skiing, personal goals, or to gain experience. The U8's started the races off with many cheers from spectators.

Some skiers dressed up or wore fancy head gear for the occasion while other participants were very focused.

As the final racers completed their respective events, spectators and participants gathered for the awards presentations. The awards included medals and ribbons sponsored by Teck and “Cookie” medals supplied by the local Bakkerij Lobelle. Many draw prizes, donated by local businesses, were also given out. The final award to be handed out was the Club Aggregate Banner for the Teck Northern Cup Series 2025. Once again, the Bulkley Valley Cross Country Ski Club (Smithers) took it home.

Many thanks to the more than 45 volunteers that helped make this event so successful. A big thank you to all of our local sponsors, Bakkerij Lobelle, Four Rivers Co-op, Earthen Ware, Rich's Saw Sales, Nechako Outdoors, Beans Coffee Shop and Stride and Glide Sports for supplying food and prizes. We would like to gratefully acknowledge **Teck** for continually sponsoring these fantastic events.
